Fixed rate advertising...

We don't dance around pricing and commencing the discussion with extremely expensive page rates. We offer fixed rates that are in most cases 50% less than our competitor's minimum. We understand advertising has to be competitive, affordable and accompanied with editorial support.

		<p>Single page £400.00</p> <p>Double page spread £700.00</p> <p>Back cover £500.00</p> <p>Half page £245.00</p>

*All prices are exclusive of VAT. Adverts placed will require advance payment unless an account with 30 day terms has been agreed. Dealers, Manufacturers, and VWG/PFC VIP members discounts available.

About us

Our media group comprises of two magazines reaching into the lifestyle of the owner enthusiast with each respective title focussing on new car news, driven reports, high-value tech/buyers guides, the latest performance parts reviewed with our product focusses, inspirational feature cars, event reports and of course, our own stunning photography. Our mission is to excite and inspire whilst delivering knowledge that our readers can trust so they make informed purchasing decisions. Our high quality content is much more than magazine editorial - it encompasses print, digital, social media, mobile, web and events. We provide a truly multi-platform approach that celebrates the relevant brand and engages passionate enthusiasts.
